

ADDENDUM D
AFFIDAVIT AND INTELLECTUAL PROPERTY TRANSFER

I, _____ of (Country) _____, in consideration for the payment made to me upon acceptance of a Solution that I have offered to the Solution Seeker, titled _____, hereby swear and attest that:

- 1) I have read, reviewed and understood this Affidavit.
- 2) I am the owner of all that I have contributed to the Solution, and I am authorized to make this Affidavit and convey to the Solution Seeker all rights, title, and interests in and to the Solution.
- 3) I am not obligated under any contract, employment agreement, employment relationship or any other relationship or commitment to assign nor have I assigned any of my rights in the Solution to any third party.
- 4) As per the Problem Solver Challenge Agreement I electronically signed on (date) _____, I have agreed to transfer all rights to the Solution to the Solution Seeker and I retain no rights to the Solution.
- 5) Any other party who assisted in creation, conception, or reduction of the Proposal to practice has been disclosed to the Solution Seeker.
- 6) I have provided the Solution Seeker with accurate, true, current and complete information concerning the Solution and my name.
- 7) To the best of my knowledge, the Solution is original and does not infringe or violate any patent, copyright, trade secret, trademark, or other third party intellectual property right; and I am not aware of any threatened claim or challenge to the Solution, and the Solution, including the rights to all Intellectual Property therein, is free from any security interest, lien, or encumbrance of any kind.
- 8) I agree, at the Solution Seeker's request and expense, to execute specific assignments and such other documents, and take such further action as may reasonably be considered necessary to the Solution Seeker, at any time during or subsequent to the term of this Agreement, to obtain and defend copyrights, trademarks or letter patent in any and all countries, and to vest title in such copyrights and inventions, to the Solution Seeker or its assigns.

I hereby declare that the foregoing is true and correct.
