

# Aussie-pour

'Aussie-pour' is a convenient pouring attachment that has been designed by **Aussies**, and manufactured by **Aussies** to assist all ages by making an everyday task of pouring from plastic milk & juice containers simple.

Here are just a few benefits of the 'Aussie-pour'

- Reduces annoying spills, drips and runs
- Less mess, minimal clean up
- More control over volume of milk and juice desired
- Easy to use for all ages
- Only having to remove & replace the screw cap initially, instead of every time you pour
- Spring loaded flip top lid
- The ability to open lid, pour and close, all with the use of a single hand
- Manufactured from top quality materials, for long lifespan
- Dishwasher friendly
- Affordable and value for money

**Simply a better way to pour**
