

AlphaGRIP

ESSENTIAL COMFORT & CONVENIENCE

TABLET & SMARTPHONE STRAP

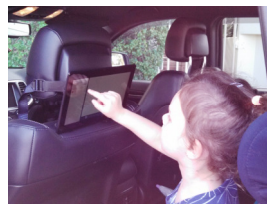

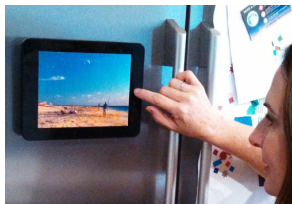

Strong adjustable, safe, quick contact/release attachment for Hand-held devices (Smartphones or Tablets). Easily applied for comfortable positioning (pain free with long-term use), drop safe and positioning for work or display

Uses no adhesives or any other permanent attachment.

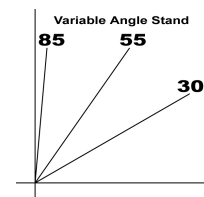

STRONG CONNECTION STRAP

Strong and safe application of any size tablet to metal surfaces as well as in vehicle applications. Mounts to any size/shape of vehicle headrest. Also suitable for use on bicycles.

VARIABLE ANGLE BASE STAND

Innovative Base Stand can be easily arranged to give a viewing angle from 30 degrees up to 85 degrees.

All accessories fit snugly into this compact box (90x167x67mm). Measurements make for easy shelf display and palletisation for transport.
