PATENT PENDING

A UNITARY DISHWASHING APPLIANCE

The Kitchen Demon is a fully automated unitary dishwashing appliance embedded in the kitchen counter. Three purposely-designed rows of specific-use shuttles accept dishes, glasses, cups, and utensils. Feed the Kitchen Demon your soiled kitchenware and be amazed by the results.

FULLY AUTOMATED

Place soiled kitchenware onto the Kitchen Demon shuttles and watch as they descend into the appliance and emerge clean, dry and sparkling in less than a minute.

ERGONOMICALLY DESIGNED

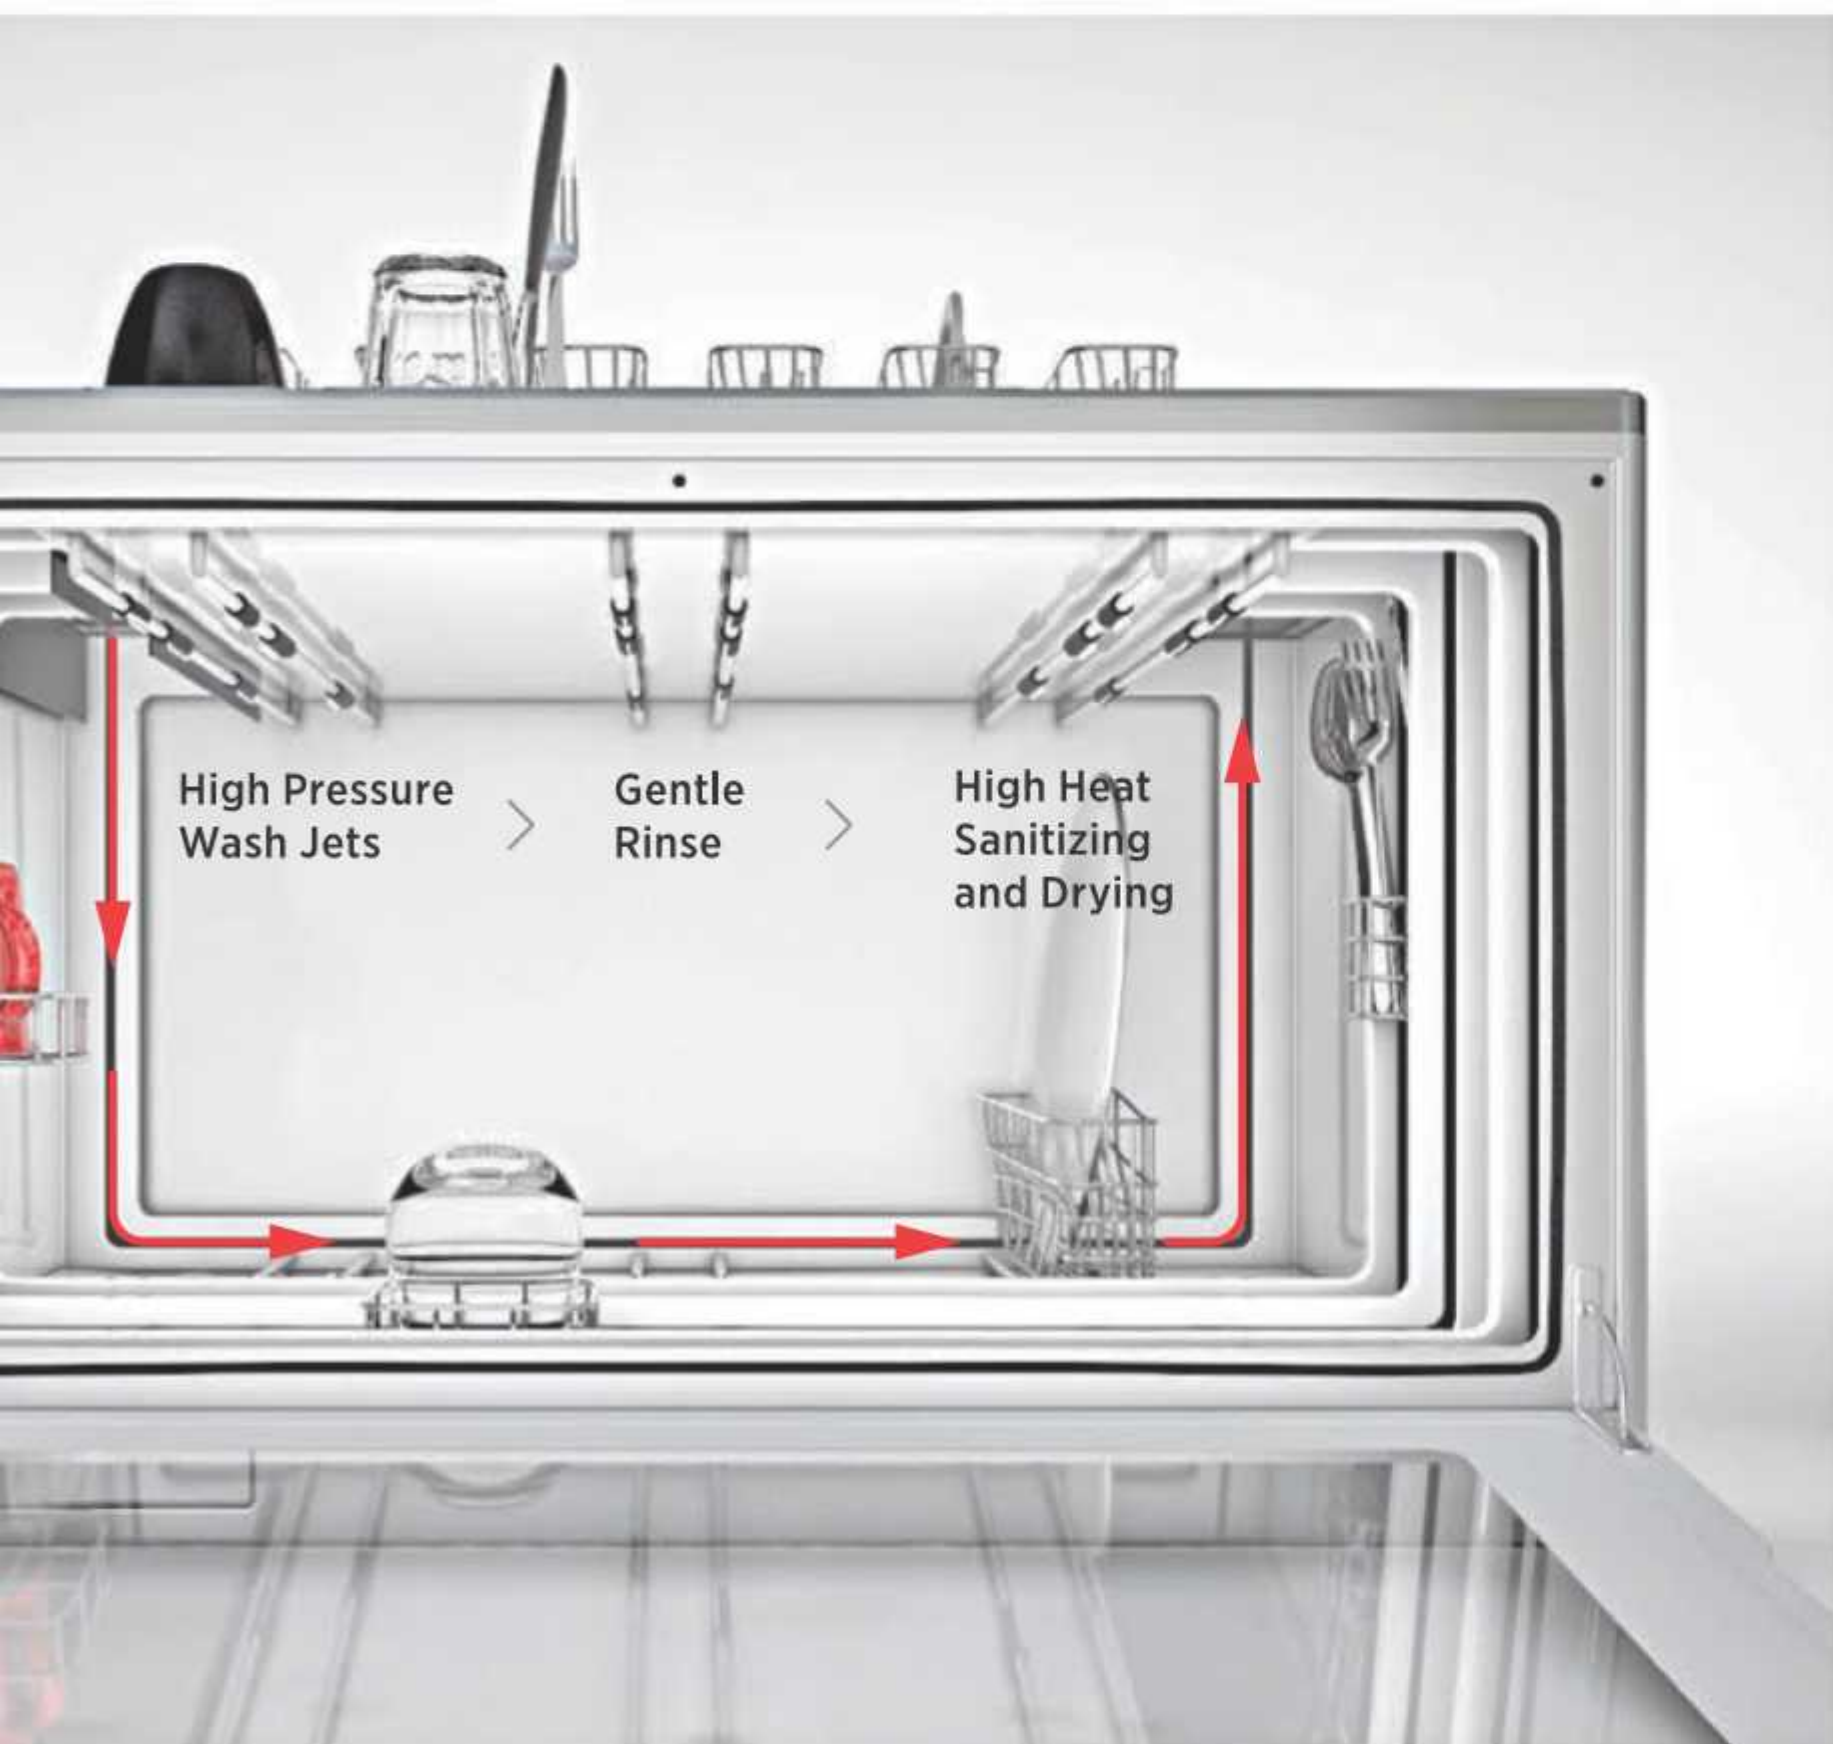

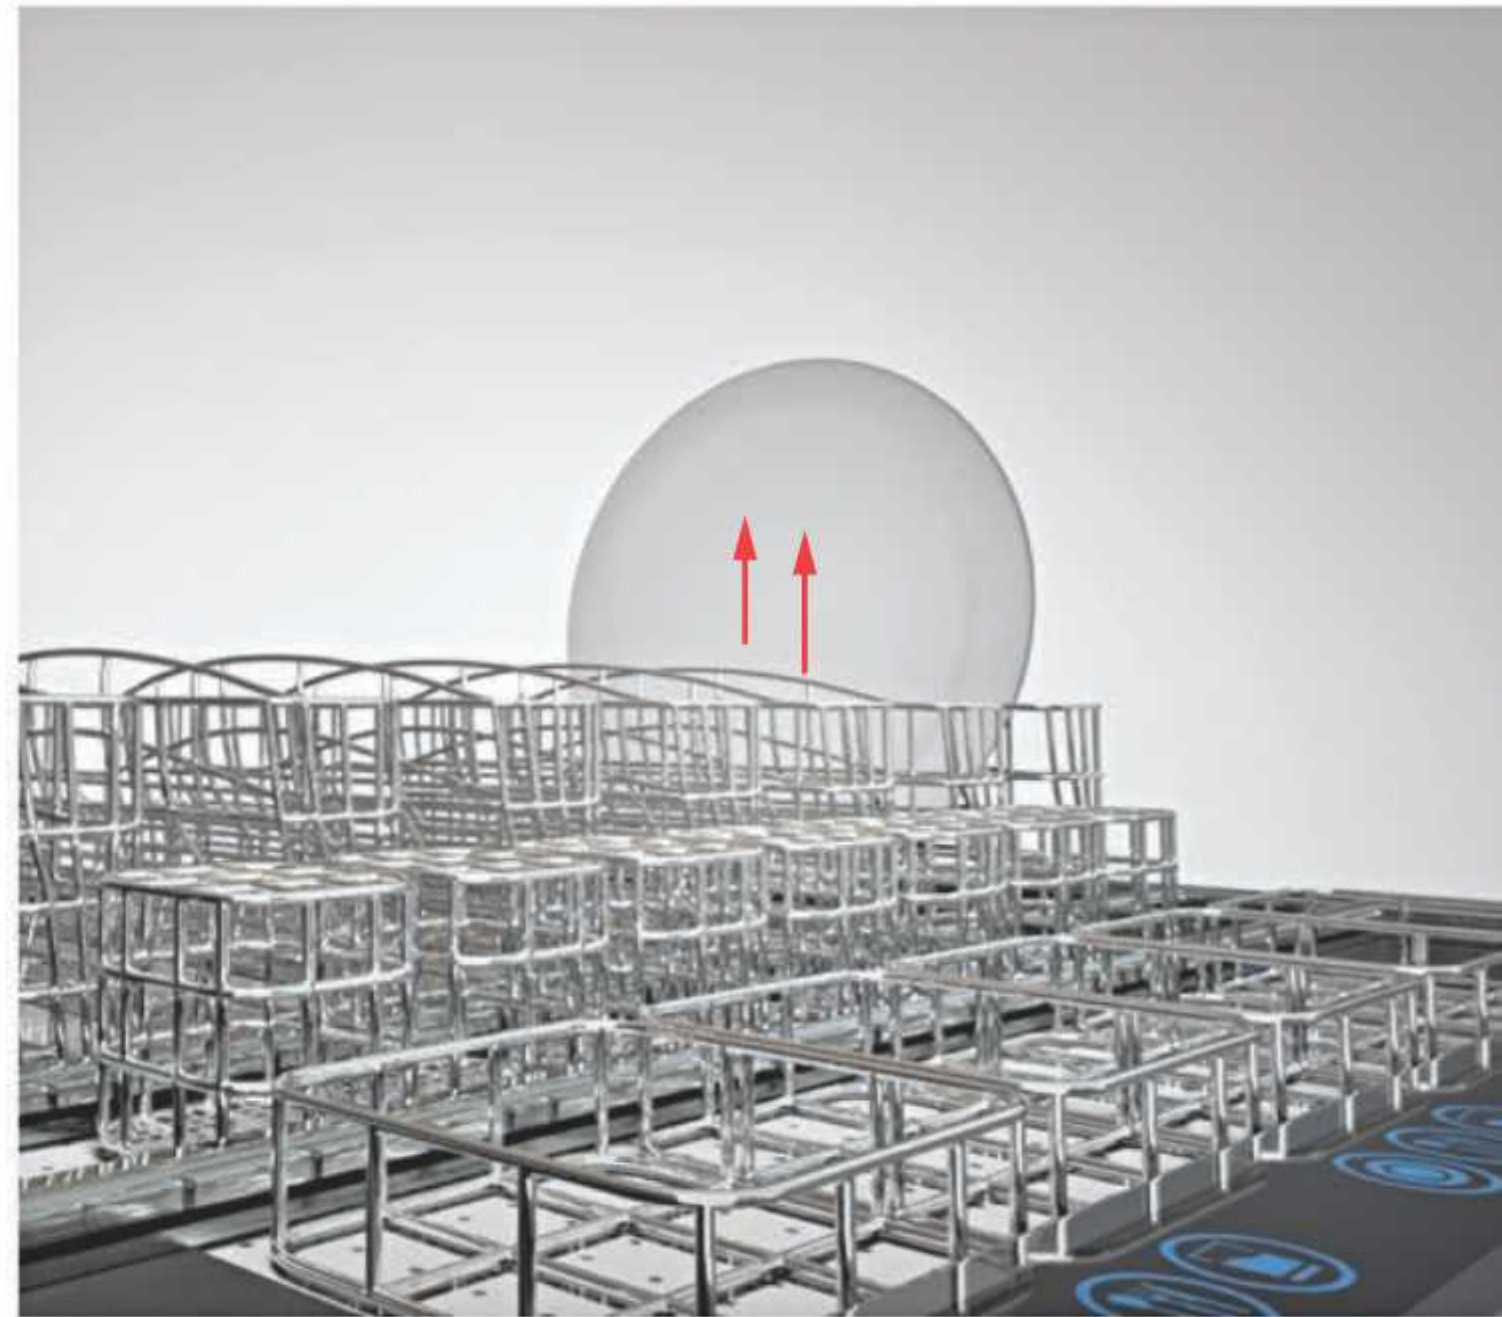

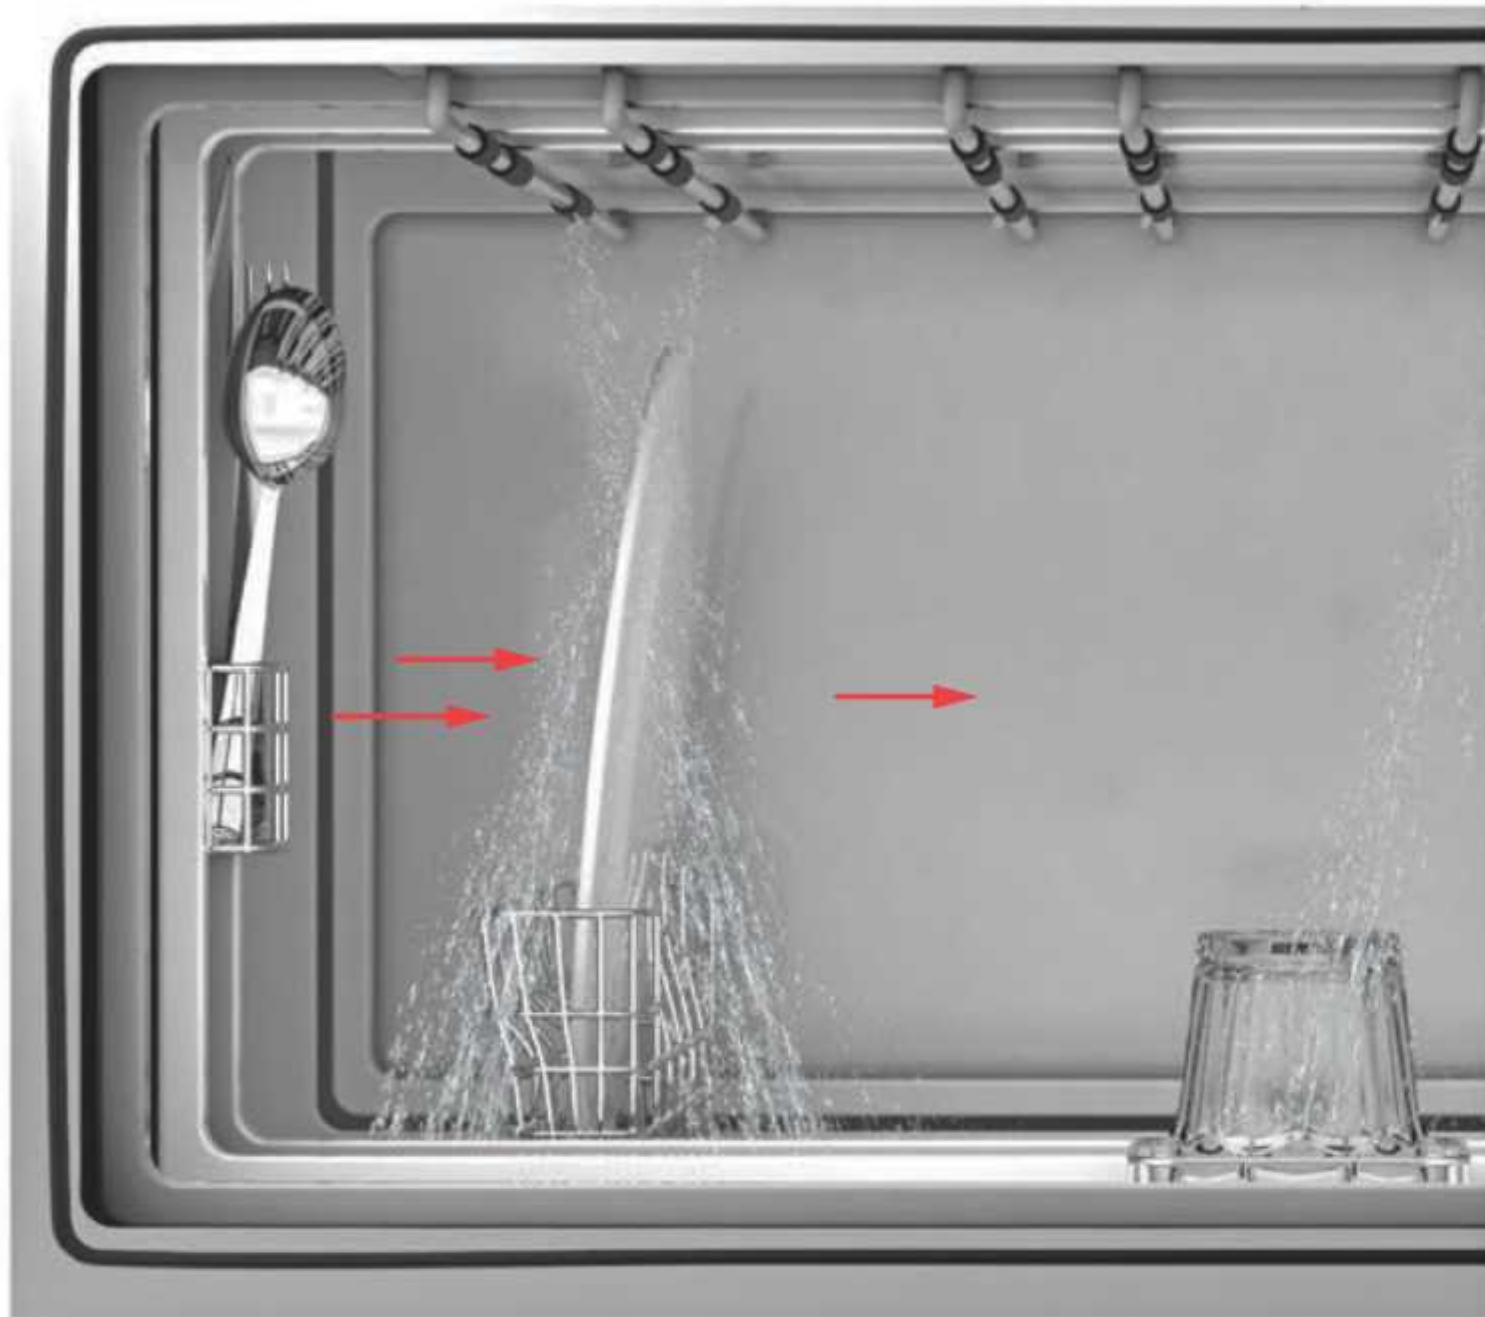

No bending, no organizing racks, no pre-rinsing. Simply place the soiled kitchenware onto the shuttles and Kitchen Demon takes over.

Feed it as you need it!

**CONVENIENT,
PRACTICAL, AND SAFE**

The Kitchen Demon saves time and is effortless for anyone to use. Convenient, practical and intelligent, it is a must-have in the modern kitchen.

MEET THE KITCHEN DEMON:

- ✓ Conveniently cleans a single item or a full load in seconds
- ✓ Upright loading, no bending required
- ✓ No heavy, bulky appliance doors to step around
- ✓ No pre-rinsing

Kitchen Demon
Simply Clean!

The world's first fully automated, ergonomically designed, counter-level dishwashing solution.

KEY FEATURES AND BENEFITS

1

ERGONOMIC

Purposely designed for counter-level use, no bending required.

2

FAST AND QUIET

Items are washed, dried, and ready in 20 seconds.

3

PRACTICAL AND EFFICIENT

No waiting for a full load. Feed it as you need it.

4

SAFE

All moving parts are shielded, use suitable for children.

5

ECONOMICAL

Targetted cleaning means less energy.

6

ECO-FRIENDLY

One item, one wash, less water.

7

FULLY AUTOMATED

Always at the ready—high tech sensors detect soiled kitchenware.

8

SPACE SAVING

Keeps counters uncluttered and sinks empty.

9

COMPACT AND SPACE EFFICIENT

Small yet powerful countertop assistant.
